To Whom It May Concern,

Please accept this document as a letter of support for the Maynooth Train Station project.

I understand The Action Group Committee is working diligently to save this historical land mark.

I applaud their efforts and believe our community will benefit in increased tourism providing extra revenue for local business owners and a tremendous boost to the overall community.

I am confident the Committee has researched and are providing all necessary information for consideration.

Respectively,

Daryl Kramp MP
Prince Edward-Hastings
